

ST. KENELM'S MEMORIAL GARDEN

(From left to right: the memorial garden site, an example of an engraved plaque; a sandstone block)

What Will My Plaque Look Like?

All plaques measure 5 x 3 inches and are made from polished, brass effect laminate. After engraving, they will be mounted, four plaques to each stone, on hand-chiselled, cove red sandstone blocks. These will then be placed inside and around the edge of the garden.

What Wording Can I Have On My Plaque?

If you're uncertain of the wording you want for lines 1 and 4 and would like some ideas to get you started, please look at our "Typical Wording" sheet which contains some suggestions for short phrases that would suit the available space on your plaque.

When Should I Order My Plaque?

You can order a plaque at any time following an interment of ashes in the consecrated ashes plot. However, if you wish to receive your plaque by July, the forms and payment should be received in the parish office by 30 May 2021.

How Do I Order My Plaque?

Please click on the link [here](#) which will take you to the online order form and an explanation of payment options.
